Boyd joins the firm after completing his tenure as the ninth Lieutenant Governor of the State of Maryland. An accomplished attorney with a lifetime of experience in both the public and private sectors, Boyd has served as Associate Administrator for the U.S. General Services Administration, as Assistant Secretary for Administration for the U.S. Department of Agriculture, and as Secretary of the Maryland Department of General Services.

Boyd's law practice is primarily devoted to working with businesses in a variety of disciplines, with an emphasis on representing clients in government contracting matters and navigating the often complex procurement and regulatory process. He represents government contractors in all aspects of working with federal, state and local government, including matters related to teaming agreements, joint ventures, the procurement process, bid protests and contract claims. Boyd also works with small enterprise clients in pursuing status as minority-owned, women-owned, and veteran-owned businesses, as well as those seeking 8(a) and Small Disadvantaged Business (SDB) certification.
